

MAT-8000

8-ZONE MATRIX

High-performance 8-time matrix guarantees the ultimate in flexibility. The name says it all: you can distribute different sources to a maximum of 8 zones simultaneously. You can also add sources locally, control the volume, etc...

A versatile sports complex requires flexible solutions, such as a microphone on the sports floor, which operates as a local source. Flexibility is the watchword of the MAT-8000 matrix.
